

## PDS UGA e-payment Options

Before you register for the PDS UGA conference, check with your Accounting Department to determine their preferred method of registration fee payment.

PDS offers two electronic payment options that will help you facilitate convenient electronic payments:

1. **ACH Debit**, where PDS sends you an authorization form, and once you've approved the form, **PDS initiates** the one-time transaction to collect the agreed-upon funds.
2. **EFT** (Electronic Funds Transfer) transaction is where **you initiate** an individual bank-to-bank payment transaction directly with your bank.
